First youre welcome to our Forum , but your request didnt find the right forum because this is a community for the country Belaur's (White Russia) and not for any game from battle.net. So we cant and dont would be help you here. For any questions for your request please use the right forum under your posted link battle.net and not here - Thank you! Further i will warn you, because you writing down 2 Postings in different Topics - so we will see that as Spam and in our Rules you will see that this isnt be allowed - so please stop it or you will be blocked. Thats will be only a warning!
