Bis zu 3 Monaten, danach muss der weißrussische Führerschein gemacht werden.

If you are planning a long stay in Belarus and going to drive a car, you should take into account that your domestic driver's licence or International Driving licence allows you to drive in Belarus for a 3-month period.

To drive a car for a longer time on Belarusian territory you should obtain a Belarusian driver's licence. For this you should attend a 3-month course in a driving school in Belarus (or other CIS country) and pass the knowledge and driving skills tests administered by the State Traffic Inspection (traffic police).
