The screenshot shows the Paysend website interface. At the top, the Paysend logo is on the left, and navigation links for 'Global Transfers', 'Paysend Link', 'Global Account', 'Business', and 'Info' are on the right. Below the navigation, there are links for 'GLOBAL TRANSFERS', 'Einloggen', and 'Anmelden'. The main content area features a large heading 'Geld senden an Weißrussland' and a sub-heading 'Überweisen Sie Geld online auf eine beliebige Visa und Mastercard in Weißrussland für nur € 1.5.'. Below this, there are three icons representing benefits: 'Schnell und mühelos', 'Mehr als 2M Kunden vertrauen uns', and 'Globaler 24/7-Support'. On the right side, there is a form for sending money. It includes a 'Sie senden' field with the value '400.00' and a currency dropdown set to 'EUR'. Below that is a 'Der Empfänger erhält' field with the value '1 187.31' and a currency dropdown set to 'BYN'. There are also fields for 'Gebühr' (1.50 EUR, inkl.), 'Heutiger Kurs' (1.00 EUR = 2.9795 BYN), and 'Müsste ankommen' (In wenigen Minuten). A large purple 'Beginnen' button is at the bottom of the form.
